A brilliant red dial gleams at the heart of this speed-machine. The steel link bracelet of this solid Irony Big offers contrasting brushed and polished surfaces, as does the case, whose polished bezel has alternating Arabic numerals and hour markers. The gleaming, bright red dial has mirrored embossed lozenge hour markers and white Arabic numerals rimmed in black at all hours but three, where a black-rimmed date window appears. Broad mirrored metal svelte hour and minute hands with arrow-tip white Superlite highlights and a thin mirrored metal seconds hand mark the time.
