An intricate three-dimensional dial draws attention to this bold Irony Big. Set against the steel bracelet, case and bezel, the dark brown dial's upper level has a seconds-ring and round hour markers at all hours, a date window at hour 9 and a raised second dimension in the form of appliqué metallic Arabic numerals at hours 5 - 8 and 10 -11. A window cut in the upper level reveals the third level, whose sun-brushed steel scale begins at hour 12 and broadens to hour 4. Mirrored metal hour and minute hands with Superlite highlights and a metallic seconds hand mark the time.
