Luludia

An extraordinary family, Luludia is lucid and playful, a polished mirror where high-tech surface and natural floral form come together. The pendant, bangle, ring and earrings are clear and simply formed in highly polished steel plate. Within the borders of each piece, a gently flowing, floral design is cut right through the steel. Stalks, leaves and petals open miniature windows on undiscovered worlds. The innocence and intelligence of our Jetset princess combine in this delightful play with stainless steel, natural light and flowers.
