Virility Chiaroscuro effects born of a blend of bright and mat surfaces, a mix of steel, black resin and leather for these masculine jewels in which the pure lines express the elegance of their wearer. Here, the subtle play of contrasts between plane and curved surfaces, solid and supple, metallic and natural materials reflect the image of the essential in a man, where instinct and the mind are one. Pendent: Trapezoidal plate in stainless steel enhanced on the sides by motifs in black resin. Black leather with a bayonet clasp in stainless steel. Bracelet: Black leather bracelet to which is attached a curved plate in stainless steel enhanced on the sides by black resin motifs. Single size. Ring: Stainless steel strip enhanced on the sides by black resin motifs. Sizes 9, 10, 11. Materials: stainless steel, resin, leather.
