Heavy metal mirrors evoke the siren call of the man's machine. The bracelet of this elegant Irony Chrono offers polished steel links and clasp; the solid stainless steel case and unmarked bezel frame the sunbrushed black, grey and pale orange dial. Applied mirrored metal glyphs complement the chrono counters in black and white. Absent all numerals, white-rimmed black lozenges mark all hours but 3, where a date window opens. Mirrored metal squelette hour and minute hands with black highlights and a white chrono seconds hand mark the time.
