(View and buy online)

The special Swatch for your Valentines in 2015 Unlock your true love!

For Valentine's Day 2015 what is better to give your partner than this Swatch watch "Unlock My Heart" (GZ292). Inspired by the now famous "locks of love" that have become so fashionable on bridges around the world, this watch "unlock my heart" of the Originals Gent family has a strap with two padlocks in a heart shape (one open and one closed) that leads to true love represented in the form of heart ... but first you'll have to close the lock! A larger and also heart shaped padlock appears on its face, just behind the key that will count the happy minutes that you spend with your partner until it's time to lock your love.

The watch comes in a special packaging in the form of a pink box with a safety lock that is heart shaped. You have to push and turn to open and unlock your Valentine gift 2015.
