Evoking the long-lost days before Swatch, the look is vintage wristwatch. The metal and gold plastic flex-link bracelet holds a clear plastic case. Around the cream-white sunbrushed dial of this ironically original Gent, black minute indices and hour markers ring golden applique Arabic numerals at all hours but 3, where a two-part date window shows the day/date in gold on white. Reflective golden metal hour and minute hands and a thin golden seconds hand mark the time.
