A stylish study in black leather with notes of colour. This Irony Petite Seconde has a sculptured black leather strap with blue stitching. On the brushed steel case a black-scaled bezel shows world-city times offset from London. A flanged white-on-black minute ring (05, 10 ... 55) and a blue and white split-seconds ring frame the sun-brushed and gloss black dial showing silver applique Arabic numerals (hours 3, 9) and hour markers, a petite seconde counter at hour 6 and a black-on-white date window at 12. Reflective metal hour and minute hands with white superlite highlights mark the time.
