Minimalist, formal elegance gives this Irony Petite Seconde a strictly distinguished look and feel. The strap is black leather with white stitching. The brushed steel case and unmarked brushed steel bezel hold a silver sunbrushed dial. A minute ring with white hour indices circles a mirrored silver band with white hour markers and black-rimmed white Arabic numerals at hours 2, 4, 8, 10 and 12 and a white-on-black date window at hour 3. The petite seconde at hour 6 has black indices on a silver dial. Reflective metal hour and minute hands and the black continuous seconds hand mark the time.
