

## Swatch Watch Blingstone SUJK115

[\(View and buy online\)](#)

Buy your watch Swatch Blingstone with two years of warranty in our online Swatch store

There's pleasure in the touch of the fabric and the feel of the art in this understated Jelly in Jelly. The moulded beige fabric of the strap features a delicate pattern of hand-drawn circles. The mat transparent plastic case frames an open transparent dial ringed by a mirrored silver ring set with sparkling tinted crystals at all hours. Absent all numerals, mirrored golden metal hour and minute hands with superlite white highlights and a thin metal seconds hand mark the time.
