The cutest kid on the block wears this electric original Lady. The pink plastic strap layers up colored figures, dots and balls of different sizes and hand-drawn flower blossoms. The tinted transparent plastic case holds a bright pink dial that takes up elements of the strap (a white figure, dots and a flower), adding white Arabic numbers on blue fields at hours 4, 9 and 12 and thin white hour markers at all hours. Orange hour and minute hands and thin yellow seconds hand mark the time.
