

## Swatch Watch Summer Day LV106

[\(View and buy online\)](#)

Buy your watch Swatch Summer Day with two years of warranty in our online Swatch store

Summer Day is an Original Lady with a plastic strap takes a brightly coloured path to a transparent fuchsia plastic case. Shades of pink and silvery, white, green and yellow arches reach across the dial like rings in a rainbow crayon sky. Arabic numerals mark the hours; fuchsia highlights 3, 6, 9 and 12 along with the hour and minute hands. A bright child's vision of a summer in the sun.
