Gleaming dark teak or mahogany and polished brass fittings mark a regal ship indeed. The luxury is in the looks of this golden Irony Medium, with its plastic faux-teak inserts framed by the golden steel links of the bracelet. The solid steel case and bezel offer a polished golden surface enclosing the gold brossé dial and mirrored golden applique Arabic numerals at hours 3, 6, 9 and 12. Mirrored gold hour and minute hands with white superlite highlights and a thin black seconds hand mark the time.
