A broad, soft, furry belt lends warmth and the touch of luxury to this unique and playfully ironic Irony Medium. Embossed steel squares, set diagonally, flank the brushed steel case on the furry beige strap. A simply decorated polished steel bezel sets off the lustrous sunbrushed golden dial with its light brown cursive lettering indicating each hour—written out phonetically in Swiss German (eis, zwöi, drü ... zwoüf)!! Mirrored metal hour and minute hands and a seconds hand with a squeuelette arrow-tip mark the time.
