Impressive elegance and style take this Irony Nabab to a higher dimension. The broad white moulded leather strap and loop offset the polished stainless steel buckle and smoothly-contoured polished steel case and shining steel bezel set with a ring of 60 sparkling transparent crystals. The generous silver sunbrushed dial features an elegant cluster of sweeping large Arabic numerals at 3, 6, 8 and 12 hours. Reflective metal hour and minute hands with white highlights and a thin white seconds hand mark the time.
