Discover the Swatch Sea Shade (SURN103) watch among the watches that we put at your disposal, from the Swatch Touch watches family of multicolor color designed for men and women, date with water-resistant (30 meters / 100 feet), digital, alarm, stop, touch bi-timer and touch screen.

All digital Swatch Touch watches including the watch Sea Shade are made in Switzerland with the highest technology to give you a mechanism with maximum precision, each one has six functions.

The curved screen of the digital watch Sea Shade, shows the quality that is behind the phrase Swiss-made, and the color LCD shows the Arabic numbers with a large typeface that is stylish and designed to fit perfectly to the shape of the wrist. Thanks to the seamless integration of the case and strap, which is fully ergonomic, it is a pleasure to wear the watch Sea Shade.

The largest numbers of the Sea Shade screen are the seconds: animated like the second hand of an analog watch, and are constantly changing, as if they were alive. This brings pace and momentum to life in the digital age. In fact they are the "heart" of the watch. The digital numbers of the Sea Shade are displayed on a background of opaque plastic and has a silicone strap of the same color in this case multicolor.
