The magical world of animals: now living on the wrists of 3 to 5 year olds.

The new models from our Cute-Size line are bursting with all the wonders of the circus and the jungle. Blue, green and pink come together in an explosion of color, while lions do acrobatics and koalas smile down from bamboo branches.

Funny and friendly, these animals are the perfect companions for young ones through their breathtaking adventures, and the famous watch hands Flik (big brother) and Flak (little sister) will always be there to show them just how easy it is to learn to tell time.

This Flik Flak Cute-Size comes with a giant cardboard clock for learning to tell the time, adding a fun aspect to this educational experience.
