The action-packed adventure schedule continues, this time calling for boldness. The Super Hero watch for this season gives Batman and the bats a backcloth of bold red, orange and black to confirm the wearer's fearlessness. Small bats scramble over the bezel, with some venturing on to the dial, kept under control by the colour-coded white hour numbers. A huge Batman figure has the last word, in this case appropriately the word 'BATMAN' that is printed in orange blocked letters in the style of a victorious hero's signature.

Flik Flak watches are Swiss made and equipped with a robust aluminium case and scratch-resistant mineral glass. Their Swiss-manufactured quartz movement guarantees precision time-keeping. They are shock-resistant and can even be machine-washed at 40°C!

This Flik Flak Preschool comes with a giant cardboard clock for learning to tell the time, adding a fun aspect to this educational experience.
