

## Flik Flak Watch - Explore Nature FBN055F

[\(View and buy online\)](#)

Now you can buy the watch Explore Nature in the Flik Flak children's watches section of our online store

Explore Nature depicts spiders, beetles and worms as they meander through the undergrowth and sometimes get 'caught' in the scope of a junior explorer's magnifying glass. The colours are earthy - the insects' eyes googly.

Flik Flak watches are Swiss made and equipped with a robust aluminium case and scratch-resistant mineral glass. Their Swiss-manufactured quartz movement guarantees precision time-keeping. They are shock-resistant and can even be machine-washed at 40°C!

This Flik Flak Cute-Size comes with a giant cardboard clock for learning to tell the time, adding a fun aspect to this educational experience.
