There is a scuba-style model with a magenta strap, and two standard designs, one with a purple strap and one with a white strap. As with all Flik Flak watches for younger children, the colour of the hour hand corresponds to that of the hour numbers on the dial, while the minute hand matches the minute numbers. All of these watches have unicolour textile straps with glittery buckles and can be stored as coveted treasures in an accompanying Hello Kitty purse oozing pink shiny gorgeousness that little girls will love. Something to look forward to...
