Let's Rock picks up a key look for males this season - edgy punk. Skulls and crossbones mingle with a funky guitar offering a look of fun and provocation. Its jagged black bezel even gets surreal touches of bright pink and green to prove that standing out from the crowd is a must in these times.

Flik Flak watches are Swiss made and equipped with a robust aluminium case and scratch-resistant mineral glass. Their Swiss-manufactured quartz movement guarantees precision time-keeping. They are shock-resistant and can even be machine-washed at 40°C!

This Flik Flak Preschool comes with a giant cardboard clock for learning to tell the time, adding a fun aspect to this educational experience.
